Wilmington, De. 19801

Dear Honorable Judge Thyng:

Judge, I think Mr. Schranck is a person who will say anything to make things alright at the moment if its the truth or not. I would like to see one piece of document that proves that he has talked to the Del-dot personnel office about getting me a position. He says he wants to work on settling the case but all he does is say what he is going to do but never does anything. Judge he is not being fair the process is not being done fairly toward me, he has lied three times about talking to the Del-dot personnel office. He said he was going to talk to the DMV about monetary amount he never told us anything. Why is he allowed to pretend that he doing work on the case when in actuality he is doing nothing. What does waiting on a judge to do the case have to do with settling the case he is making excuses not to settle the case. Here are papers showing were I have applied for another job at Department Of Transportation. I will contact Mr Schranck and let him know that I applied.

Thank You

Kendall Rogers
